### Dear Resident:

In our continuing effort to improve the appearance of your apartment community, we have contracted to have the parking areas re-striped.

In an effort to keep the level of inconvenience to a minimum, we have asked the contractor to conduct the striping in phases and according the following schedule:

We would appreciate the cooperation of all our residents by having their vehicles removed from the scheduled painting area by 9:30 AM on the appropriate date.

Neither the property management nor their contractors will be responsible for any paint overspray on vehicles that are not removed from the appropriate designated areas in accordance with this notice.

**ANY VEHICLE NOT REMOVED FORM THE APPROPRIATE AREAS BY 9:30AM ON THE SCHEDULED DATE, MAY BE TOWED AT THE OWNER'S EXPENSE.**
